TRIATHLON FESTIVAL 2024

ROAD CLOSURES & TEMPORARY CHANGED TRAFFIC CONDITIONS

FRI 23rd, SAT 24th & SUN 25th FEBRUARY 2024

Dear Resident & Business Owner:

The 'Shimano Husky' Triathlon Festival has grown to become one of Australia's most loved events, with 2024 marking 19 years. The annual Festival will be a major economic and tourism boost for the Shoalhaven, which also provides significant fund raising for local charities and not-for-profit organisations.

Due to the event nature, road closures will be in place under strict approvals and processes of Police, TfNSW & Shoalhaven City Council, managed by certified traffic controllers.

Central to the planning is the safety of participants, public and working with affected residents and businesses to limit disruption.

Police request closures and ask for public to be made aware for alternate arrangements.

The event organisers will work with businesses/residents where possible to assist in minimising the disruption and to meet any special circumstances and prioritise emergency vehicles. Public transport (buses) will operate under an amended schedule/route (refer direct to bus company for route)

DREAM BIG

This support could be for:

- To purchase uniforms/travel for a State or Regional team selection
- Help fund trips to participate in special events
- Assist with the purchase of a musical instrument or lessons to the talented
